Author John Canemaker, a leading authority on animation history, has spent decades researching and writing this definitive work. *America Toons In* is the culmination of his years of scholarship, and it is the most comprehensive history of television animation ever published.

The book begins with the earliest experiments in animation, and it traces the development of the art form through the golden age of animation in the 1940s and 1950s. Canemaker also covers the decline of animation in the

1960s and 1970s, and he chronicles the revival of the art form in the 1980s and 1990s. Throughout the book, *Canemaker* provides insightful analysis of the social and cultural factors that have shaped the development of television animation.

*America Toons In* is a must-read for anyone who loves animation. It is a comprehensive, well-written, and beautifully illustrated history of one of the most popular and enduring art forms of the 20th century.

### **Praise for *America Toons In***

"John Canemaker's *America Toons In* is the definitive history of television animation. It is a must-read for anyone who loves animation, and it is a valuable resource for scholars and students alike." —Leonard Maltin, film historian and critic
