Community-based arts are a powerful tool for social change. They can bring people together, build community, and improve the quality of life for everyone involved. But getting started with a community-based arts program can be daunting. That's where this book comes in.

Beginner's Guide to Community-Based Arts is the essential guide to starting or enhancing your community-based arts program. With practical advice, inspiring case studies, and the latest research, it's the one-stop resource for anyone who wants to create meaningful and transformative change through the arts.

What's new in the second edition?

The second edition of *Beginner's Guide to Community-Based Arts* has been updated to include the latest research and best practices in the field. New chapters cover topics such as:

- The role of community-based arts in social justice
- Arts and health
- Creative placemaking
- Evaluating the impact of community-based arts programs

The second edition also includes:

- New case studies from around the world
- An expanded resource section
- A glossary of terms

Who should read this book?

This book is for anyone who is interested in starting or enhancing a community-based arts program. It is also a valuable resource for artists, educators, social workers, community developers, and anyone else who wants to learn more about the power of the arts to create positive change.
