The must-read book that exposes the truth about foreign dominance in Nigeria's telecom sector.

A Litany of Deception and Exploitation

The book meticulously chronicles the litany of deceptive and exploitative practices employed by foreign telecoms companies in Nigeria. These

tactics include:

- Overpricing and under-delivering services
- Collusion and anti-competitive behavior
- Illicit capital flight and tax evasion
- Political influence and lobbying
- Substandard network infrastructure and poor quality of service

Through a thorough analysis of industry data and interviews with key stakeholders, "Colossal Deception" paints a grim picture of how foreign telecoms companies have exploited Nigeria's weak regulatory framework and lack of transparency.

The Devastating Impact on Nigeria

The consequences of foreign dominance in Nigeria's telecom sector have been devastating. It has:

- Hindered economic growth and job creation
- Eroded consumer trust and satisfaction
- Impeded the development of local expertise and innovation
- Fueled inequality and social unrest
- Undermined Nigeria's sovereignty and national interests

"Colossal Deception" argues that the time has come for Nigeria to break free from the shackles of foreign control and chart its own course in the telecoms sector. It provides a roadmap for achieving this, including:

- Strengthening regulatory oversight
- Promoting local participation and investment
- Investing in infrastructure and research and development
- Empowering consumers and protecting their rights
- Prioritizing national interests above foreign profits

A Call to Action

"Colossal Deception" is not merely an exposé; it is a call to action. It challenges Nigerians from all walks of life to demand accountability, break the chains of foreign dominance, and reclaim their telecoms sector. It is a clarion call for a new era of transparency, accountability, and self-determination in Nigeria's telecoms industry.

The book urges Nigerians to:

- Educate themselves about the issues
- Support local telecoms companies and initiatives
- Demand transparency and accountability from the government and telecoms companies
- Advocate for policies that promote local participation and growth
- Spread the word and raise awareness

By shining a spotlight on the colossal deception that has plagued Nigeria's telecoms sector, this book empowers Nigerians with the knowledge and

tools necessary to break free from foreign control and build a vibrant, sustainable, and self-reliant telecoms industry.

"Colossal Deception: How Foreigners Control Our Telecoms Sector" is a must-read for anyone who cares about Nigeria's economic development, national sovereignty, and the well-being of its citizens. It is a wake-up call that exposes the harmful and deceptive practices that have hindered the growth and progress of Nigeria's telecoms sector.

The book challenges Nigerians to reclaim their telecoms sector and build a future where the industry is driven by local expertise, innovation, and the interests of the Nigerian people. It is a call to break the chains of foreign dominance and embrace a new era of transparency, accountability, and self-determination in Nigeria's telecoms industry.
