In *Dispatches From The Edge Of Life*, Dr. Jeffrey Long explores these questions from a unique perspective. As a physician and near-death experience researcher, Dr. Long has had the opportunity to interview hundreds of people who have come close to death. These experiences have given him a wealth of insights into the nature of consciousness and the afterlife.

In this book, Dr. Long shares his findings with readers, offering a glimpse into the extraordinary world that lies beyond the veil of death. He discusses near-death experiences, out-of-body experiences, lucid dreaming, reincarnation, and past lives. He also explores the latest findings in quantum physics and metaphysics, and he argues that these findings support the existence of an afterlife.

*Dispatches From The Edge Of Life* is a fascinating and thought-provoking book that will challenge your beliefs about death and the afterlife. It is a must-read for anyone who is interested in these topics.
