

# From Auschwitz With Love: A Holocaust Memoir That Will Leave You Speechless

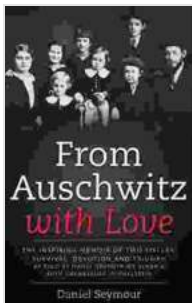

## Book Review

From Auschwitz with Love is a Holocaust memoir that tells the story of a young woman named Fania Fenelon. Fania was born in Poland in 1920, and she was just 19 years old when she was sent to Auschwitz in 1942. She spent three years in the camp, and she witnessed some of the most horrific atrocities of the Holocaust.

Despite the horrors that she experienced, Fania never lost hope. She clung to her faith in God, and she found strength in the love of her family and

friends. She also found comfort in music, and she often sang songs to herself and to the other prisoners.
