

George Marshall: Defender of the Republic

By Forrest C. Pogue

George Marshall: Defender of the Republic is a comprehensive biography of one of the most important American military leaders of the 20th century. Marshall served as Chief of Staff of the United States Army during World War II and was instrumental in the Allied victory.

Marshall was born in Uniontown, Pennsylvania, in 1880. He graduated from the Virginia Military Institute in 1901 and was commissioned as a second lieutenant in the United States Army. Marshall served in the Philippines during the Spanish-American War and in China during the Boxer Rebellion. He also served as an instructor at the Army War College and as a military attaché in France.

George Marshall was one of the most important American military leaders of the 20th century. He served as Chief of Staff of the United States Army during World War II and was instrumental in the Allied victory. Marshall was also a key figure in the post-war period, serving as Secretary of State and Secretary of Defense.

Marshall was a brilliant strategist and a gifted leader. He was also a man of great integrity and character. He was a true patriot who dedicated his life to serving his country.

Early Life and Career

Marshall was born in Uniontown, Pennsylvania, in 1880. He graduated from the Virginia Military Institute in 1901 and was commissioned as a second lieutenant in the United States Army. Marshall served in the Philippines during the Spanish-American War and in China during the Boxer Rebellion. He also served as an instructor at the Army War College and as a military attaché in France.

In 1939, Marshall was appointed Chief of Staff of the United States Army. He was responsible for overseeing the mobilization of the Army for World War II. Marshall also played a key role in the development of the Allied strategy for victory.

World War II

World War II was the largest and most destructive war in human history. It began in 1939 when Germany invaded Poland. The United States entered the war in 1941 after the Japanese attack on Pearl Harbor.

Marshall played a key role in the Allied victory in World War II. He was responsible for overseeing the mobilization of the Army and for developing the Allied strategy for victory. Marshall also worked closely with other Allied leaders, including British Prime Minister Winston Churchill and Soviet Premier Joseph Stalin.

The war ended in 1945 with the defeat of Germany and Japan. Marshall played a key role in the post-war reconstruction of Europe. He also helped to establish the United Nations, which was founded in 1945 to prevent future wars.

Post-War

After the war, Marshall served as Secretary of State from 1947 to 1949 and as Secretary of Defense from 1950 to 1951. He also served as the first president of the American Red Cross.

Marshall was a key figure in the post-war period. He helped to rebuild Europe and to establish the United Nations. He also worked to prevent the spread of communism during the Cold War.

Legacy

Marshall died in Washington, D.C., in 1959. He is buried in Arlington National Cemetery.

Marshall was one of the most important American military leaders of the 20th century. He was a brilliant strategist and a gifted leader. He was also a man of great integrity and character. He was a true patriot who dedicated his life to serving his country.

Marshall's legacy is still felt today. He is remembered as one of the great military leaders of all time. He is also remembered for his work in the post-war period, when he helped to rebuild Europe and to establish the United Nations.
