My African Rainbow is a travelogue and memoir by David Throop, who spent several years living and working in Africa. The book is a vivid and engaging account of Throop's experiences, and it offers a unique perspective on the continent and its people.

Throop first traveled to Africa in the early 1990s, and he was immediately captivated by the continent's beauty and diversity. He spent the next several years living and working in a variety of African countries, including Kenya, Tanzania, Uganda, and South Africa. During this time, he learned to speak several African languages, and he developed a deep understanding of the continent's history and culture.

In My African Rainbow, Throop shares his experiences of living and working in Africa. He writes about the challenges and rewards of working in a developing country, and he offers insights into the lives of the African

people he met. The book is also a personal journey, as Throop reflects on his own experiences and how they have shaped his life.

My African Rainbow is a beautifully written and deeply moving book. It is a must-read for anyone who is interested in Africa, travel, or memoir.
