In Proficient Motorcycling, Hough shares his insights on everything from basic techniques to advanced riding skills. He covers everything from how to choose the right motorcycle to how to ride in different conditions. He also provides detailed instructions on how to perform specific maneuvers, such as cornering, braking, and accelerating.

But Proficient Motorcycling is more than just a how-to manual. It's also a philosophical guide to riding. Hough believes that riding a motorcycle is not

just about getting from point A to point B. It's about enjoying the journey. And he shows you how to do that, by teaching you how to ride with confidence, skill, and style.

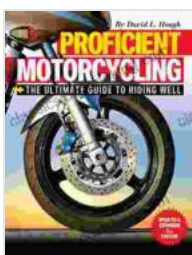

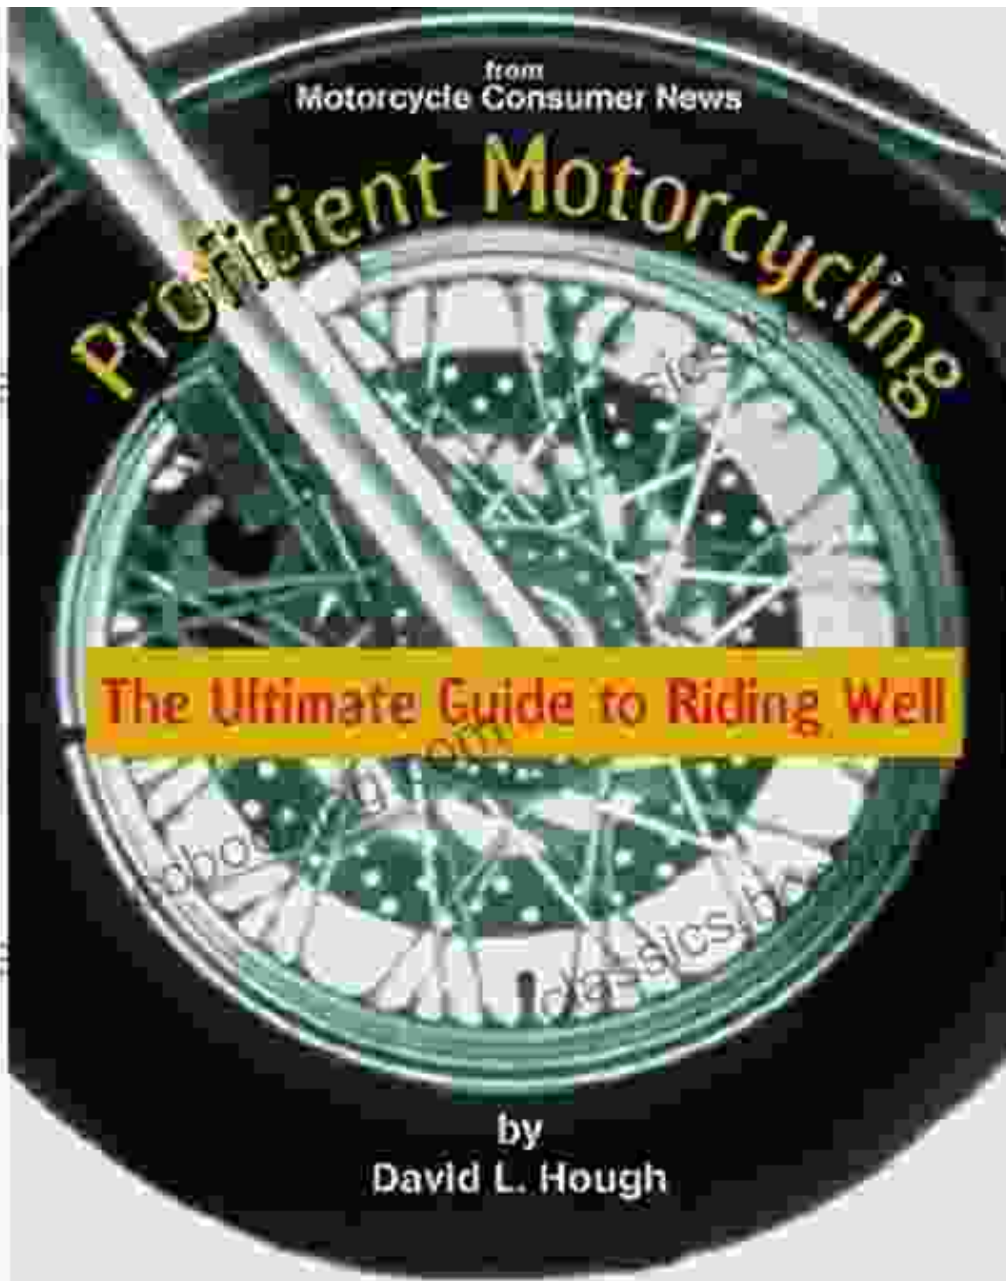

If you're ready to take your riding to the next level, then you need Proficient Motorcycling. This book will teach you everything you need to know to ride safely and confidently, and it will help you enjoy the ride even more.

**Here's just a few of the things you'll learn in Proficient Motorcycling:**

- How to choose the right motorcycle for your needs
- How to get started riding
- Basic motorcycle riding techniques
- Advanced riding skills
- How to ride in different conditions
- How to perform specific maneuvers
- The philosophy of riding

Proficient Motorcycling is the essential guide to motorcycle riding. If you're serious about riding, then you need to read this book.
