Welcome to the exciting world of clawhammer banjo, a captivating American folk music tradition! This beginner-friendly guidebook presents six easy-to-follow tabs in the key of C, providing you with a solid foundation to embark on your musical journey. Whether you're a seasoned musician looking to expand your repertoire or a complete novice eager to strum along to folk, bluegrass, or Celtic tunes, these tabs will guide you every step of the way.

Clawhammer banjo is a distinctive style of playing the banjo that originated in the Appalachian Mountains of the United States. Its characteristic sound is produced by striking the strings with a downward motion of the fingernails, creating a rhythmic and percussive effect. Clawhammer banjo is often used to accompany traditional folk songs, ballads, and dance tunes.

The key of C is a popular choice for beginner banjo players because it is relatively easy to play and provides access to a wide range of folk and traditional tunes. Many classic clawhammer banjo songs are written in the key of C, making it an ideal starting point for your musical exploration.
