From sleight-of-hand maneuvers to audience management strategies, "Real Street Magic" covers every aspect of street magic. You'll learn how to:

- Perform astonishing card tricks that defy logic
- Vanish and reappear coins with ease
- Manipulate everyday objects into magical props
- Create illusions that appear to break the laws of physics
- Engage and captivate your audience with your captivating presence

Beyond the Tricks: The Art of Street Magic

"Real Street Magic" goes beyond teaching you tricks; it provides invaluable insights into the mindset and techniques of a successful street performer. Martineau shares his hard-earned knowledge on:

- How to find the best street performing spots
- Effective crowd control strategies
- Building rapport and connecting with your audience
- Dealing with hecklers and challenging audience members
- Creating a memorable and impactful street performance

Suitable for All Skill Levels and Performers

Whether you're a complete novice or an experienced magician, "Real Street Magic" has something to offer. The tricks are carefully graded according to difficulty, allowing you to tailor your learning path to your

current skill level. Even seasoned performers will find valuable insights and fresh inspiration within these pages.

In addition to its comprehensive coverage of close-up magic, this book also includes bonus chapters on stage magic and parlor magic, providing a well-rounded education for aspiring magicians.
