

The ABC of Preballet: Unlocking the World of Dance for Young Aspirants

Welcome to the magical world of preballet, where young dancers embark on an enchanting journey of grace, poise, and artistry. As a parent or caregiver, you play a pivotal role in nurturing their passion for this beautiful art form. With "The ABC of Preballet," you'll have the ultimate guidebook to begleiten your child every step of the way.

What is Preballet?

Preballet is the foundation upon which all future ballet training is built. It introduces young dancers to the basic principles of classical ballet, such as posture, alignment, turnout, and coordination. Through playful games and engaging exercises, preballet classes create a fun and supportive environment where children can develop their physical abilities and artistic expression.
