From the acclaimed author of *The Big Butt Book*, comes a wild and fascinating new memoir that takes you behind the velvet ropes of New York City's most exclusive nightclubs, where Joe the Bouncer witnessed it all.

As a bouncer at some of the city's most notorious venues, Joe saw it all: the celebrities, the drugs, the violence, and the sex. He was the gatekeeper to a world of excess and glamour, and he has the stories to prove it.

In *The Bouncer*, Joe shares his firsthand account of the wild and crazy world of New York City nightlife. He tells stories of celebrities behaving badly, drug deals gone wrong, and fistfights that left people bloody and bruised. But he also shares stories of kindness, generosity, and redemption.

The Bouncer is a cautionary tale about the dangers of living a life of excess, but it's also a celebration of the resilience of the human spirit. Joe's story is a reminder that even in the darkest of places, there is always hope.
