

# The United States of War: A Brutal History of American Interventionism

The United States of War is a comprehensive history of American interventionism, from the founding of the republic to the present day. It is a brutal and unflinching account of the wars that the United States has fought, the reasons for those wars, and the consequences of those wars.

The book is divided into three parts. The first part, "The Imperial Republic," covers the period from the American Revolution to the end of the Civil War. This period saw the United States expand its territory across the North American continent, and it also saw the United States intervene in numerous wars in Latin America and the Caribbean.

## The United States of War: A Global History of America's Endless Conflicts, from Columbus to the Islamic State (California Series in Public Anthropology Book 48)

The second part, "The Global Empire," covers the period from the end of the Civil War to the end of the Cold War. This period saw the United States emerge as a global superpower, and it also saw the United States intervene in numerous wars in Europe, Asia, and Africa.

The third part, "The Unending War," covers the period from the end of the Cold War to the present day. This period has seen the United States continue to intervene in wars around the world, including the wars in Iraq and Afghanistan.

The United States of War is a timely and important book. It provides a much-needed history of American interventionism, and it challenges the myths and misconceptions that surround this history. The book is a must-read for anyone who wants to understand the United States' role in the world.

### **Author Biography**

Michael Lind is a historian and journalist. He is the author of several books, including *The Next American Nation: The New Nativism and the Fate of the Republic* and *The American Way of War: How U.S. Military Strategy Has Triumphed and Failed*.

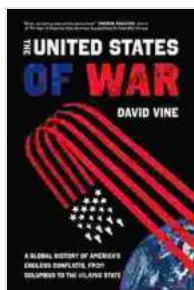

### **Reviews**

"The United States of War is a masterful work of scholarship. Lind has written a comprehensive and unflinching history of American interventionism that is essential reading for anyone who wants to understand the United States' role in the world." - Howard Zinn

"Lind's book is a tour de force. It is the most comprehensive and insightful history of American interventionism that I have ever read." - Noam Chomsky
