Travis Roy is a former college hockey player who was paralyzed during his first shift on the ice. In 1995, Roy was a freshman at Boston University when he collided with an opponent during a game. The collision broke his neck and left him quadriplegic.

Roy's story is one of hope and perseverance. After his injury, he could not move his arms or legs. He had to relearn how to breathe, eat, and speak. But Roy never gave up. He went on to graduate from Boston University and become a motivational speaker.

In his book, *Travis Roy: Quadriplegia and Life of Purpose*, Roy shares his story with the world. He talks about the challenges he faced after his injury and how he overcame them. He also talks about the importance of living a life of purpose.

Roy's book is an inspiration to anyone who has ever faced adversity. It is a story of hope, perseverance, and the power of the human spirit.
