George Platt Lynes, born in 1907, was a visionary photographer whose unique style captured the essence of his subjects with a blend of elegance and intimacy. His keen eye for detail and ability to evoke emotions through his lens made him a master of portraiture. Lynes's subjects ranged from celebrities to everyday individuals, each portrait revealing a glimpse into their inner world.

Paul Cadmus: Surrealism in American Art

Paul Cadmus, born in 1904, was a renowned painter whose work delved into the realms of surrealism and social satire. His provocative paintings often challenged societal norms, exploring themes of desire, sexuality, and the human condition. Cadmus's unique style, characterized by meticulous draftsmanship and vivid colors, brought to life his often dreamlike and thought-provoking imagery.

Lincoln Kirstein: Patron, Critic, and Artistic Catalyst

Lincoln Kirstein, born in 1907, was a multifaceted figure who played a pivotal role in shaping the American arts scene. As a patron, critic, and cultural impresario, Kirstein founded the prestigious New York City Ballet and was instrumental in the development of American modern dance. His writings and influence extended beyond dance, making him a leading voice in the world of art and culture.

Triography: A Tapestry of Artistic and Personal Interconnections

The relationship between Lynes, Cadmus, and Kirstein transcended mere friendship; it was a complex web of artistic collaboration, mutual inspiration, and enduring affection. Their shared passion for art, their exploration of queer identities, and their distinct artistic visions created a creative vortex that influenced the artistic landscape of their time.

Lynes's photographs documented the circle's intimate moments, capturing both the glamour and the vulnerability of their artistic endeavors. Cadmus's paintings immortalized the trio's unconventional lifestyle, celebrating their individuality and challenging societal expectations. Kirstein's critical writings provided a framework for understanding their artistic contributions and the cultural context in which they operated.

Unveiling the Hidden Stories

'Triography: George Platt Lynes, Paul Cadmus, Lincoln Kirstein, and Their Circle' offers an unprecedented look into the lives and works of these three artistic luminaries. Through meticulously researched text, stunning visuals, and exclusive archival material, the book uncovers the hidden stories that shaped their art, friendships, and personal journeys.

The book explores the intersection of photography, painting, and surrealism, showcasing how each artist influenced and complemented the others. It sheds light on their struggles with censorship, their resilience in the face of adversity, and their enduring impact on the art world.
